# **borrow** + **spend** + **treat** + **save** + **invest**

- reduce debt
- only when necessary

- with as little impact to the environment as possible, e.g. reduce plastic, buy green and local, plan trips
- support community-based enterprises to distribute benefits widely

- once in a while
- equivalent treats that are also green and socially mindful, where possible

- between 3-6 months' worth for a rainy day
- inflation erodes purchasing power of money

- define long-term financial goals and risk appetite
- educate on different financial products

# Philippines #1 online

# 99% have social media

## “Banked” in the digital age

- Meet easier requirements
- Build credit and cash flow history
- Access lower financing and transaction costs, and finance products

## Business beyond usual

- **Challenge:** What are profitable businesses during the crisis?
- **Extra challenge:** What are profitable businesses during the crisis that can support affected groups?

Announcements [See All \(1\)](#)

# Recovering together

- Support small and community-based enterprises where possible
- Be updated on new SEC and BSP sustainability requirements
- Ask for sustainable choices, from food to fun to finance

Conservation Starts With You

Please support the lives of those who support ours.
